The Puzielli Real Estate Agency proposes a farmhouse to be restored for sale in Montefiore dell'Aso, immersed in the rolling hills of the Marche. The cottage is on two levels for a total of 103 square meters. This beautiful farmhouse is to be restored but not demolished, it is possible to make a recovery of the existing building. The property includes a garden of about 1.000 square meters. It is possible to buy more land.

This farmhouse in the Marche is in the Marche style, completely to be recovered. So it is necessary to do a restructuring. In the area you can make a swimming pool. This farmhouse, of undoubted charm, was built at the time with a load-bearing masonry structure. The fixtures, the shutters, the door, the internal doors, the electrical system, the heating system and the bathrooms have to be redone from scratch.
